

lower Little Rock Creek

# Walkable Watershed

healthy waters : healthy communities

## Community Input Session!

**Tuesday, May 20, 2014  
6pm-7:30pm**

### Walnut Creek Wetland Center

950 Peterson St, Raleigh, NC

Community partners and the City of Raleigh are developing Walkable Watershed concepts to improve the creek and neighborhood quality of life for communities in the lower Little Rock Creek watershed.

The Little Rock Creek watershed is all the land area where rainwater drains to Little Rock Creek.

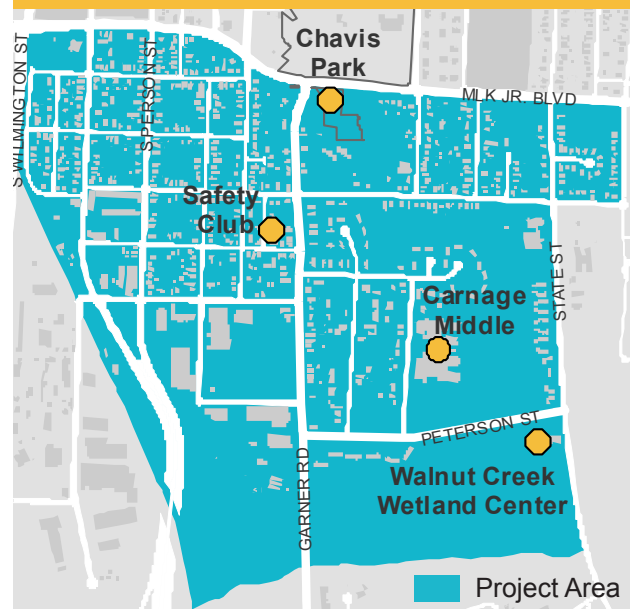

Walkable means that the neighborhood includes safe and pleasant routes for walking.

For more information, visit Walnut Creek Wetland Center or [www.walkablewatershed.com/Raleigh](http://www.walkablewatershed.com/Raleigh)

**We need your input!**  
Come share your thoughts on where to enhance pedestrian connections, improve water quality and encourage creek and greenway stewardship.

*The project area includes neighborhoods in the lower Little Rock Creek watershed.*
