

Fairview Heights ~ Fishing Creek

Walkable Watershed

healthy waters : healthy communities

Community Input Session!

**Thursday, January 29, 2015
6:30pm - 8:00pm**

**Fairview Community Center
3621 Campbell Ave, Lynchburg, VA**

Community partners and the City of Lynchburg are developing Walkable Watershed concepts to improve the creek and neighborhood quality of life for the Fairview Heights neighborhood in the Fishing Creek watershed.

The Fishing Creek watershed is all the land area where rainwater drains to Fishing Creek.

Walkable means that the neighborhood includes safe and pleasant routes for walking.

Come enjoy light refreshments and a chance to provide valuable input into improving your neighborhood. RSVP is requested, but not required.

**We need your input!
Come share your
thoughts on where to
improve walking and
biking and encourage
creek stewardship.**

Sign up for a free rain barrel! We have a limited number available and will install them for you!
